

Reiser, R. A., & Dick, W. (1996). *Instructional Planning: A guide for teachers* (2nd ed.). Needham Heights, MA: Allyn & Bacon.

**ISBN-13: 978-0205166145**

Students in teacher education programs are regularly required to plan lessons and instructional units, but often receive little instruction on how to do so. This book (initially published under the title *Planning Effective Instruction*) is designed to teach readers how to plan instruction and develop effective lesson plans.
